RECENT WORK EXPERIENCE

Web1 Oy - Cloud operations assistant - 01/11/2024 - 01/03/2025

Internship at a Finnish cloud hosting and networking provider. I worked with data center infrastructure, server management, network configuration, cloud services, and IT security.

2M-IT - Service Desk - 01/11/2022 - 01/03/2023

IT support for regional public healthcare and social services organisations. Resolved hardware, software, and connectivity issues. I worked with Windows AD & Azure.

Nordweb Oy - Founder & CEO - 01/09/2025 - Present

I run a small web hosting company serving Finnish businesses. I manage production servers (Proxmox, Linux), client accounts, and service development.

Scene ry - Chairman of the Board - 01/02/2025 - Present

Project Manager for overclock.fi LAN events and the suntori.fi event. Responsible for logistics, recruitments, team coordination, and technical setup.
